

I have nothing but praise for the tournament and the organisers, it was amazing and blew last year's tournament out of the water!!!!

The staff were all lovely, friendly and amusing!! They helped out with anything we asked and even went out of their way to get phone numbers for restaurants etc.

# SALOU FEST

**10 YEARS ON TOUR**  
2000 2010  
[ilove2010.co.uk](http://ilove2010.co.uk)

**CLUBS & SOCIETIES DO SALOU**

**5,000 students, partying, pulling, playing, prancing, parading, drinking, dancing and devastating each other all in the name of tour. The biggest student sports festival there is. The biggie. The Mac-Daddy. The big one. You get it...**

## What is Saloufest?

Roll out of your hotel **court session** and into the warm night air. Flanked by your best friends. The excitement and expectation of the best night of your life bobbing around in your head, chased by flashes of Redbull & Jaeger and the fading memories of an amazing day of sport in the Spanish sunshine and a bizarre sexual encounter in a lift with **two girls dressed as Umpa-Lumpas** the night before.

A pub. A club. **Another club**. A guy dressed as a Power Ranger drinking from a shoe. Another club. A security guard chasing you, as you run **naked** from the hotel pool. A 4am sing-off, that turns into a boat-race, that turns into a sleepover. That sounds like Saloufest to me.

Too many people have told us Salou is better than anything else out there. Therefore, we believe them and so should you! This year is our 10th birthday and we want you to come, in your thousands, to join us for an **EPIC** Saloufest to end all Saloufests! If you've never been, this is the year to try it. If you have been before- this will be even better than last time. Promise.
